#### **Away We Go**

Ages 18 months to 3 years

**Away We Go!** guides Child and Parent/Caregiver to explore the exciting world of things that go! Singing, dancing and developmentally appropriate activities lead this transportation adventure to the discovery of trains, cars, buses, horses, wagons, airplanes and boats.

A variety of activities focus on various lesson themes such as tempo: steady beat, accelerando (getting faster), ritardando (getting slower). Children will enjoy exploring shaker, wood and metal instruments and incorporating fun, creative props like scarves, hoops and mirrors. Packaged inside a train named Dinah, the At Home Materials include 2 CD's, 2 literature books, 2 harmonicas and Home Activity Book.

**Toys I Make, Trips I Take** leads the child on a magical journey into a remarkable Toy Shop filled with boats, trains, balls, jack-in-the-box and many other toys that bring a glimmer into a child's eyes. While the excitement may begin in the toy shop, it may end on a tropical island. Imagine That!

The At Home Materials include 2 CD's, a Kindermusik drum, 2 literature books, family activity book, and play set. Backpacks purchased from first semester continue to be used each week. To purchase a backpack add \$10.00 to the material fee above.

**Semester 2** further develops the child's ability to read notation on the music staff. The children continue to master the glockenspiel, a pre-keyboard instrument while developing another great instrument - the voice!

**Semester 4** explores multicultural music - from Japan to Hawaii to Africa, just to name a few! Children continue to learn new notation on the music staff and are introduced to their first wind instrument - the recorder. These young musicians can now play several percussion instruments, including their glockenspiel, a stringed dulcimer and recorder. Way to go!!
